Applicant : Philippe LeRoy; Christophe Prat; Fabien Ammardji
U.S. Serial No: 10/583,845
Int'l PCT No. PCT/FR2004/003104
Int'l Filing Date: December 2, 2004

For : IMAGE DISPLAY SCREEN AND METHOD FOR
ADDRESSING SAID SCREEN

DECLARATION OF FLORENCE PAC

I, Florence Pac, declare as follows:

1. I am currently employed by the applicant Thomson Licensing and am working in Thomson Licensing's French company, located in Rennes, France;
2. I am responsible for the duties of filing and maintaining the applications for Thomson Licensing; including the above-identified docket, PF030187. These duties include filing applications, handling the preparation of forms (Declarations and Assignments), obtaining the signatures of the inventors on these forms and filing documentation;
3. I have attempted (three) 3 times to contact Mr. Fabien Ammardji in order to have him sign the required US Declaration and Assignment forms for this case. (Evidence of these attempts is attached (and have been translated into English.))
4. I have prepared a "Google" search to locate the inventor "Mr. Fabien Ammardji" (Copy attached). He was located but would not send me back the signed documents.
5. All statements made herein to my knowledge are true. These statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful statements may jeopardize the validity of the Application or any patent issued thereon.

CONVENTION DE STAGE OBLIGATOIRE

Article 1 :

La présente convention règle les rapports entre le DIRECTEUR de :

Nom de l'Établissement d'accueil : THOMSON Multimedia R & D Monsieur Leray
Adresse et Téléphone de l'Établissement où se déroule le stage : 1 Avenue Belle Fontaine
35510 Lésion Gervignot 02 99 27 30 00
et l'Université de Rennes 1 - 2 rue du Thabor - CS 46510 - 35065 RENNES Cedex représentée par son Président.

Cette convention concerne le stage d'initiation au milieu professionnel effectué par

Mme/Mlle/M. AMMARA JI FABIAN
Etudiant(e) en (PRÉCISER L'INTITULÉ EXACT DU DIPLOME) DESS COMPOSANTS ELECTRONIQUES
Spécialité : Composants Electroniques à l'Université de Rennes 1
Adresse durant le stage : 20 rue de Bellevue 35400 Saint-Hel

Article 2 :

Le programme du stage est établi par le Directeur de Thomson Multimedia R & D en accord avec le professeur O. Bonnaud de l'Université de Rennes 1, Responsable de l'Enseignement. Il porte sur l'objet suivant : simulation de structures d'adressage pixel pour diodes électroluminescentes organiques.

Article 3 :

Le stage aura lieu à une date fixée en commun accord entre les deux parties contractantes.

- Date de début de stage : 01.04.2003 Date de fin de stage : 30.09.2003

Article 4 :

Le stagiaire, pendant la durée du séjour dans l'entreprise, demeurera étudiant de l'Université.

Article 5 :

Durant le stage, l'étudiant sera soumis à la réglementation de l'entreprise notamment en ce qui concerne les visites médicales et l'horaire.

En cas de manquement à la règle précitée, le Directeur de Thomson Multimedia R & D se réserve le droit de mettre fin au stage de M. AMMARA JI Fabien. Il en avisera préalablement le Président de l'Université de Rennes 1.

Article 6 :

Au cours du stage, M. AMMARA JI Fabien ne pourra exiger aucune rémunération.

Article 7 :

M. AMMARA JI Fabien est affilié à la Sécurité Sociale étudiante ou au Régime Général* et bénéficie des dispositions de l'article L.412-8 B du Code de Sécurité Sociale. A ce double titre, il bénéficiera des prestations maladie et sera garanti contre les accidents qui pourraient lui arriver au cours du stage ou durant le trajet le conduisant sur les lieux du stage. En cas d'accident survenant à l'étudiant stagiaire, soit dans l'entreprise, soit au cours du trajet, soit au cours des trajets rendus nécessaires par l'objet du stage, l'entreprise s'engage à faire parvenir aussitôt tous les éléments permettant la déclaration de l'accident auprès de la C.P.A.M., au service Scolarité "Sciences et Philosophie" CS 74205 - 35042 RENNES Cedex. Toutefois, afin que l'étudiant bénéficie de la couverture "accident du travail" prévue par le présent article, il ne doit pas lui être alloué une gratification mensuelle supérieure à 30% du S.M.I.C. au 1er janvier de l'année civile en cours. Si l'étudiant bénéficie d'une gratification supérieure à 30% du S.M.I.C., il est considéré comme étant rémunéré au sens de l'article L242-1 du Code de la Sécurité Sociale. Il est alors couvert en qualité de salarié au titre de l'article 411-1 du même code.

Article 8 :

Un certificat de stage indiquant la nature et la durée du stage sera remis à l'intéressé par le Directeur de Thomson Multimedia R & D.

Article 9 :

M. AMMARA JI Fabien devra remettre au Professeur de l'Université, responsable de l'enseignement, un rapport de stage. Une copie de ce rapport sera adressée au Directeur de Thomson Multimedia R & D qui pourra, s'il le juge nécessaire, présenter ses observations au Professeur responsable de l'enseignement.

CLAUSE DE CONFIDENTIALITE

En raison de la confidentialité des études effectuées à THOMSON multimedia R&D France, les informations recueillies ou les résultats obtenus par le stagiaire ne pourront faire l'objet de publication orale ou écrite, par l'Ecole ou par le Stagiaire, qu'après accord explicite de THOMSON multimedia R&D France.

Le stagiaire s'engage à garder strictement confidentielles les informations et les connaissances de quelque nature que ce soit - techniques, commerciales ou autres -, sous quelque forme que ce soit et notamment sans les limiter, orales, écrites, enregistrées sur support audio, visuel ou informatique, auxquelles il aurait accès au cours de son stage.

Le stagiaire s'engage à ne sortir de l'enceinte du laboratoire aucun document ou support quelconque (magnétique, optique) sans autorisation expresse du responsable de stage.

Le stagiaire s'engage à n'introduire aucun logiciel ou support informatique dans l'enceinte du laboratoire.

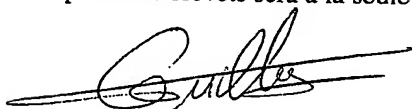

Si le stage doit faire l'objet d'un rapport ou mémoire, le stagiaire s'engage à soumettre à une personne désignée par THOMSON Multimedia R&D France ledit rapport ou mémoire avant toute divulgation.

THOMSON multimedia R&D France pourra faire connaître les réserves à observer dans la rédaction et la diffusion d'informations à caractère confidentiel auxquelles il pourrait avoir accès à l'occasion de l'exécution du présent stage.

Le stagiaire s'engage à modifier ledit rapport, si besoin est, sur demande de THOMSON multimedia R&D France.

L'obligation susmentionnée de confidentialité reste applicable à l'Ecole et au stagiaire dix ans après la fin de cette convention à moins que les informations confidentielles ne rentrent entre-temps dans le domaine public et sans que ceci soit dû à l'Ecole ou au stagiaire.

Les brevets qui pourraient être issus de cette étude seront la propriété seule et exclusive de THOMSON multimedia R&D France qui fera état du nom de l'inventeur. Toutefois, la décision de revendiquer ou non un ou plusieurs brevets sera à la seule discrétion de THOMSON multimedia R&D France.

---	---

Article 1

This agreement governs the relationship between the MANAGER of:

Name of Host Institution: Thomson Multimédia R&D, Mr. Lenoy

Address and Telephone of the Institution where the internship will take place: 1 avenue Bell Fontaine, 35510 Cesson Céviégné, 02 99 27 30 00

And the University of Rennes 1, 2 rue du Thabor – CS 46510 – 35065 Rennes Cedex, represented by its President.

This agreement is for internship in an occupational environment for:

Mr. Fabien Ammardji, student with DESS [Secondary School Honour Graduation Diploma] in Electronic Components; Specialty: Electronic Components, at the University of Rennes 1.

Address during internship: 20 rue de Bellevue, 35400 Saint Malo

Article 2

The program for the internship has been established by the Manager of Thomson Multimédia R&D in agreement with Prof. O. Bennaud of the University of Rennes 1, Education Supervisor.

It involves the following subject: Simulation of pixel addressing structures for organic electroluminescent diodes.

Article 3

The internship will take place on a date established by mutual agreement between the two contracting parties:

Internship Starting Date: 04 / 01 / 2003

Internship Ending Date: 09 / 30 / 2003

Article 4

During his time at the company, the trainee shall remain a student of the University.

Article 5

During internship, the student shall be subject to the company's regulations particularly as concerns medical examinations and the schedule.

In the event these regulations are not adhered to, the Manager of Thomson Multimédia R&D reserves the right to terminate the internship of Fabien Ammardji and shall notify the President of the University of Rennes 1 thereof in advance.

Article 6

During internship, Fabien Ammardji may not demand any remuneration.

Article 7

Fabien Ammardji is affiliated with the Student Social Security or the General Social Security System [cross out whichever does not apply] and benefits from the provisions of article L.412-8 B of the Social Security Code. Under this dual coverage, he shall be eligible for illness benefit and shall be insured against accidents he might suffer during the internship or during travel to internship sites. In the event the trainee student is involved in an accident, at the company or during travel to or from same or during travel made necessary by the purpose of the internship, the company undertakes to send all the items needed for the accident report to the C.P.A.M. [national health insurance] as well as to the Science and Philosophy Department, CS 74205 – 35042 RENNES Cedex. However, in order for the student to benefit from the "work-related accident" coverage specified by this article, he must not be allocated a monthly bonus of more than 30% of the SMIC [statutory national minimum wage] as of January 1 of the current calendar year. If the student receives a bonus exceeding 30% of the SMIC, he is considered

as being remunerated in the sense of article L242-1 of the Social Security Code. He is then covered as employee under article 411-1 of that Code.

Article 8

A certificate of internship indicating the nature and duration of the internship shall be sent to the interested party by the Manager of Thomson Multimédia R&D.

Article 9

Mr. Fabien Ammardji must submit an internship report to the University Dean of Education. A copy of this report shall be sent to the Manager of Thomson Multimédia R&D, which may, at its discretion, present its observations to the Dean of Education.

CONFIDENTIALITY CLAUSE

Because of the confidentiality of the studies carried out at Thomson Multimédia R&D France, the information gathered or the results obtained by the intern may only be published by the School or by the Intern, orally or in writing, after explicit agreement from Thomson Multimédia R&D France.

The intern agrees to keep strictly confidential the information and knowledge of any kind whatever – technical, commercial or other – in any form whatever, and particularly but not limited to oral, written, recorded on audio, visual or computer medium, to which he may have access during his internship.

The intern agrees to not take any document or medium whatever (magnetic, optical) out of the laboratory without express authorization from the internship manager.

The intern agrees not to take any software or computer medium into the laboratory enclosure.

If a report or memo must be prepared about the training, the intern agrees to submit said report or memo to a person designated by Thomson Multimédia R&D France before any disclosure.

Thomson Multimédia R&D France may make known the reservations to be observed in the drafting and dissemination of confidential information to which he would have access in the performance of this internship.

The intern agrees to modify said report, if needed, at the request of Thomson Multimédia R&D France.

The aforementioned obligation of confidentiality continues to apply to the School and the Intern for ten years after the end of this agreement unless during that time the confidential information enters the public domain for reasons not attributable to the School or the Intern.

Any patents that may result from this study shall be the sole and exclusive property of Thomson Multimédia R&D France which shall report the name of the inventor. However, the decision of whether or not to claim one or more patents shall be at the sole discretion of Thomson Multimédia R&D France.

Given in Cesson-Sévigné, in three original copies, on 03 / 12 / 2003
